### Angel View Baptist Church History

The Angel View Baptist Church was founded upon the rock Jesus Christ 126 years ago. It was during the 1880s that several old heralds of the church would meet from house to house praising the Lord. They would hold prayer service, Bible study and sing praises unto the Lord. They continued in their homes until they built a log cabin for worship in 1887. The founders of the church were the late Brothers Henderson Meed, Jordan Morris, Walter Morris and Harvey Scott. These brethren were later ordained to the office of Deacon. The first pastor of Angel View was the Rev. Louis Davis. Rev. Davis called a council to set apart this body of believers into a Baptist church in 1887. The congregation thrived in the log cabin, and in 1893, built a new sanctuary on land donated by deacon Taylor. Unfortunately many of the church's early records were lost in a fire at the home of a former secretary, Deacon Samuel Morris. A new sanctuary was erected and new pews were purchased in 1973. Ten years after the dedication of the sanctuary we had our mortgage burning ceremony on the fifth Sunday in August 1984. Since the mortgage burning we have enlarged the fellowship hall and added a relation room for the pastor, that now serves as the Pastor's Study. Under the leadership of Pastor Barnes we hired a minister of music, and have two drummers. The Adult Praise Team Ministry, the Media Ministry, the Marquee Ministry, the Senior Ministry, the Vision Ministry, the Benevolence Ministry, the Nehemiah Project Ministry, a pastor aide ministry, re-organized men's and youth ministries, an altar ministry and a new members minister have all been put in place. Our current Pastor is Rev. Willie Barnes.

\*All names in italics were provided by people of Angel View who knew of individuals in the cemetery in unmarked graves.

We appreciate the help given towards this project by the congregation of Angel View. We are especially thankful for the assistance of Queen and Warren Sutherlin.

It is our hope that the book will prove useful to the church and to anyone interested in history.
