

WE ARE UNDER
CONSTRUCTION

Heritage Public Library

Since February of 2008, the New Kent Branch of the Heritage Public Library has been serving our great community from a temporary commercial space with worn furniture and equipment from our old Boulevard location. However, we are excited to announce that New Kent County has purchased and is renovating a permanent home on Route 249 for us.

While we are grateful and eager to move to this new location, we are now faced with the task of purchasing updated furniture, shelving and fixtures for our new home. As you know, it is important to make the library a welcoming and comfortable space for the folks in our community, but we **NEED YOUR HELP** making this a reality! We are very appreciative of the community's past support and hope you will help us again as we strive to make the Heritage Public Library the best it can be.

Our goal is to raise \$200,000 before our move-in date of spring 2017. This is ambitious, but we know that with your financial support we can achieve it. No donation is too large or too small! For your consideration, attached is a "Naming Opportunity" list if you wish to have your donation permanently acknowledged by a plaque. The Heritage Public Library Foundation is a 501(c)(3) non-profit, charitable organization, so your donation will be tax deductible to the full extent allowed by law. All donations will go directly to benefit the Library's New Kent Branch.

Please make your check payable to the Heritage Public Library Foundation and mail to P. O. Box 8, Providence Forge, Virginia 23140, or donate online at the DONATE button on the Library's web site www.heritagepubliclibrary.org.

Thank you for your support.
