

**St. Peter's Parish Church Cemetery
(Episcopal)
New Kent County, Virginia**

Known as the “First Church of the First, First Lady,” St. Peter’s Parish was established in 1679. Construction on the present church building began in 1701 and was completed by 1703. St. Peter’s is still an active church.

The church and cemetery are located about 20 miles east of Richmond at 8400 St. Peter’s Lane, New Kent, VA 23124.

Following is a list taken from the index to a book which contains a picture of each gravestone as well as a transcription of each. Original work was done in 2007 with corrections through January 2010.

The complete book can be seen at the Library of Virginia in Richmond, at the Heritage Library in New Kent, at New Kent Court House or at St. Peter’s Church. Page numbers on this index, of course, refer to the book.

We hope that this information will be of help to you.
